## Make a wish ...

We believe that our Hair Quality, Experience and customer service are the foundation to keep long term relationship with our Customers.

Thanks to our wide variety of products, our extensive inventory and our production capability we can provide you the best solutions for hair extensions, hair loss , hair styling tools and much more.

We insist on strict quality control for our products, adapting them to market needs, development, constant innovation, differentiation and uniqueness - all these and more are the reasons why our products are preferred by customers all around the world!

We welcome you to join our Wish hair extensions family and enjoy our amazing products.

## Virgin Cuticle Luxury Hair Collection

Our main hair line (VC) Virgin Cuticle hair gained its reputation worldwide thanks to its high quality, pure color, natural shine and long lasting time.

For the VC luxury hair line we use only 100% Healthy ponytail hair material, which hasn't been colored or permed.

Our VC production green process include nothing but cleaning and wash the hair, natural drying, unique dying technology and finally quality inspection.

**We guarantee our hair has no silicon, no acid bath, keep original cuticle healthy, no damage to the hair structure, And pure amazing color!**

# Hair Care

- Use the wide tooth comb.
- Brush your hair gently, always starts from the ends, and move up towards the roots, to reduce the possibility of shedding and tangles.
- When wash your hair, use mild shampoo and warm water.
- Before washing the hair, remove all tangles.
- After wash, use leave-in conditioner to keep the hair moisturized, which will keep it healthy and prolong its lasting time.
- Carefully blot the hair with a towel, to remove excess water don't scrub the hair during drying.
- Don't sleep in hair extensions while it's still wet.
