

# INVERTER GENERATOR L2500 ix

## INTELLIGENT INVERTER TECHNOLOGY

Intelligent inverter technology, clean sine wave output with high efficiency.

## COMPACT DESIGN

Easy to carry around by one person

## OUTSTANDING STARTING SYSTEM

Start with one easy pull

## LARGE TANK

A full tank fuel could last 15 hours @50% load

## RUGGED AND RELIABLE ENGINE

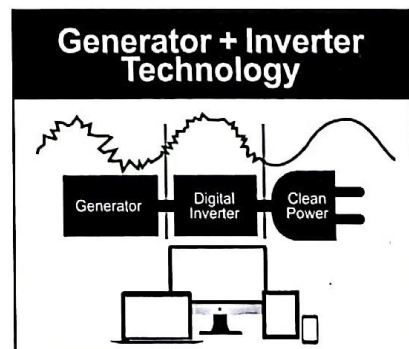

500 hours life span design

## INVERTER GENERATOR

### L2500ix

Rated power / Max. power	1.8 KW / 2.0 KW
Engine type	Air-Cooled, 4-Stroke, OHV
Displacement	119 cc
Speed	2800-4500rpm
Starting system	Recoil start
Fuel tank capacity	10 L
1/2 load continuous running time	15 h
Noise(7m)	65dB
Dimensions	400*475*455 mm
Net weight	21 Kg
